Assembly Instructions  
Kalo Lamp (2749-0100)  
& (2749-1000)

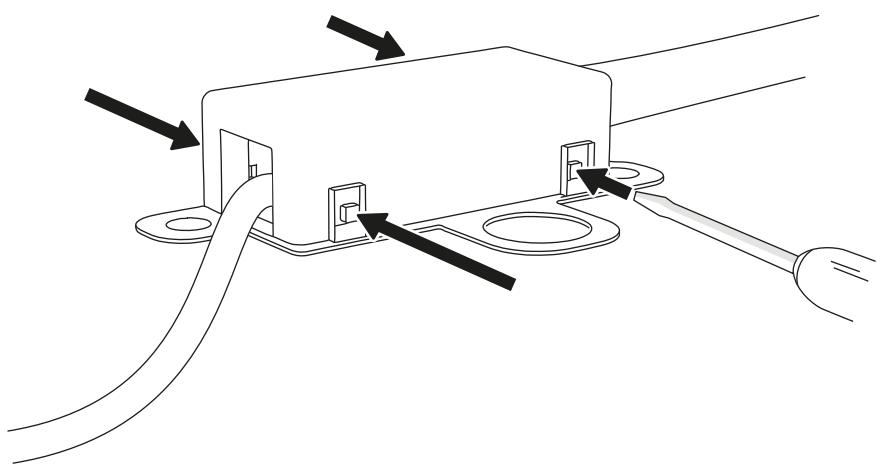

**WARNING** If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.

**CARE** To avoid leaving marks on the glass, we recommend to use gloves or handle the glass without touching the inner sandblasted surface. We recommend the glass is cleaned with a clean cloth and non-abrasive cleaner, such as clean soapy water or a proprietary window cleaner. For glass with sandblasted surface, a stiff bristle or nylon brush can be used to remove dirt from the recesses in the surface. The glass is dishwasher safe.
